

Members Count! Toolkit

Did you know the **Members Count! Toolkit** is on the International website?

To find it go to: www.sweetadelineintl.org

Click on the **Members Only** link at the top of the Home page.

On the next screen, LOG IN with your member number. If you don't know your member number, contact member@sweetadelineintl.org

Next click on the [Member Only Information](#) box.

You will need to LOG IN with your member number one more time.

On the next screen you will see a warning about the Website's Security Certificate. This is normal for the SAI website and is nothing to worry about. Go ahead and click the option that allows you to continue to the website. You may also have to click on a pop-up window to allow you to display secure and non-secure items. Click yes there too.

Now you are almost there!!!

Click on: [Visit the marketing center here](#) near the bottom of the page

Click on: [Training Library](#) at the top of the page

The two Webinars which were recently offered by SAI are here, as well as many handbooks, including the Members Count! Toolkit.

You can open these up and save a copy to your computer, or remember where this is, and come back. I understand a copy of the Chapter guide is going to be posted within the next year.

Take some time to browse through this section of the website. There is a lot of great information here for you to use!

Happy Surfing!
